SECTION 1: INTRODUCTION

MISSION STATEMENT

The Minnehaha County Jail shall provide safe, secure housing of inmates and continued public safety. The Jail will:

- Operate in accordance with the US Constitution, Federal and State laws, under the direction of the Sheriff.
- Operate in a cost effective manner, without compromising the safety and security of staff, inmates, and visitors.
- Not discriminate against staff, visitors, or inmates because of race, religion, sex, national origin, age, or disability while providing the ability to maintain family ties and community contacts.
- Provide inmates with necessary and legally required medical, mental health, and dental services consistent with the standards for health services established by the National Commission on Correctional Health Care.
- Maintain those in custody in a safe and humane manner until legally released.
- Provide a detailed explanation of the facility rules and hold all individuals accountable for their behavior.
- Provide a range of programs and services to reduce idleness and to encourage inmates to improve themselves to reduce further criminal activity.
- Provide staff with initial and ongoing training in order to provide professional development.

INTRODUCTION

This handbook is designed to provide inmates housed in the Minnehaha County Jail with important information during their time at our facility. Information included pertains to Minnehaha County rules and regulations, living instructions, sanitary requirements, and general information to help you with the normal routine of being in custody.

You are responsible for understanding and abiding by all of the information contained in this Inmate Guidebook. If the information contained in the Inmate Guidebook is not completely understood or you have any questions, ask a staff member for an explanation.

Most inmates want to do their time in the best possible way and be released as soon as possible. Some inmates, however, have the mistaken impression that the rules and regulations do not apply to them. They attempt to establish their own methods of operation by creating unrest and causing trouble.

Jail Inmate Policy

Approved by Mike Mattson on 12/05/2019

If a disturbance, mass assault, assault, or demonstration occurs, go immediately to your housing area or other area as directed by staff and remain there. Inmates who participate or encourage these actions and behaviors will face disciplinary action and criminal prosecution. Avoid any behavior that may connect you with the trouble in any way.

The safety and security of you (the inmate), the facility, and correctional staff is of the utmost importance. The rules and regulations that have been implemented in this facility support our goal of safety and security.

If at any time, you believe you are in danger of being physically assaulted or abused (including sexual assault or sexual abuse), you should report your concern to a staff member so action can be taken to ensure your safety.

Minnehaha County Jail Administration reserves the right to change/amend any practice set forth in this guidebook without notice at any time. Furthermore, any costs and fees specifically described in this guidebook are current as of the guidebook's last revision date. All cost and fee amounts within are subject to change with or without notice at any time.

Inmates with a negative account balance at the time of their release will be responsible to pay Minnehaha County for their unpaid balance. Failure to pay may result in civil lien or forfeiture proceedings against the inmate. If before such civil process occurs the inmate is detained in the Minnehaha County Jail for a new charge, the inmate's account will begin with a negative balance consistent with the amount owed.

SPLIT DEPOSITS

If you owe money (have a negative balance) for room and board costs or for purchased Indigent Supplies, any money deposited to your account will be split 50/50. Fifty percent of any deposit will be applied as payment towards your negative balance; the rest will be available for use to order commissary items. Again please note any pending commissary orders are secondary to room and board fees. Meaning if you place a commissary order at night the money will not get pulled from your account until 1000 hours on the day of delivery.

COMMISSARY

Commissary is a privilege, not a right. Commissary items may be purchased through the inmate kiosk. Choice of items and prices are subject to change without notice. Returns, refunds, exchanges, or credit will not be permitted/given. If you contest your order, the entire order may be returned and your account credited. It is your responsibility to check over your commissary order prior to signing for receipt of the order. Once you have signed to accept the order, it will not be changed if there is a discrepancy. The commissary order limit is \$75.00 per order. This does not include stamps. You are allowed to order three times a week.

Commissary orders will be delivered to your housing unit by a commissary representative.

Tablets

Tablets are owned and operated by CBM. You will be allowed to purchase time through commissary to use the tablets. Any inmate found abusing the tablets will be subject to disciplinary action and/or criminal action.

INDIGENT STATUS

Inmates without money available to purchase hygiene supplies, may be able to purchase indigent supplies through the kiosk. You are considered to be indigent when you have a **current balance at or below \$1.00, balance never exceeds \$1.00 in 3 days and no**

money deposits in the past 8 days.

GENERAL INMATE REQUESTS

Inmates may utilize the kiosk system to submit formal requests for needs that the available staff cannot immediately provide. You may have up to three (3) open requests at a time. It is your responsibility to close them once you have received a response. Prior to submitting a request on the kiosk, inmates should speak to officers present to see if the request can be handled without need to submit a request on the kiosk.

Requests that contain abusive/ derogatory language will not be addressed.

Inmates are encouraged to **immediately** notify an officer if a request concerns a **threat to the immediate health or welfare of an inmate, staff or the public.**

Inmates that abuse the kiosks or damage the kiosks may be subject to disciplinary and/or criminal action.

INMATE GRIEVANCES

A grievance is a complaint filed by an inmate related to any aspect of institutional life or conditions of confinement which personally affects the inmate grievant. The following are not grievable issues: Federal, State, or Local Statutes, court decisions, or decisions of an inmate's attorney, and sanctions as a result of a disciplinary action.

1. Procedure:

- a. Inmates are encouraged to resolve all complaints informally through the security staff or medical staff. One exception is a sexual abuse complaint, which will be submitted in a grievance through the kiosk system. If the inmate alleges sexual abuse that grievance will not be referred to the staff member that is the subject of the complaint.
- b. If an inmate cannot resolve their complaint through the security staff or medical staff, he/she may submit a Grievance through the kiosk system.
- c. The inmate must state the specific nature; including, but not limited to, specific dates, times, locations, individuals involved, and any other relevant information, and explain what efforts (if any) they have taken to resolve the problem.
- d. If the grievance concerns a threat to the immediate health or welfare of an inmate, contact a staff member immediately.
- e. Third parties, including fellow inmates, staff members, family members, attorneys and outside advocates, are permitted to assist inmates in filing request for administrative remedies relating to the allegations of sexual abuse, and will be permitted to file such request on behalf of inmates.
- f. Inmates may only file one grievance per issue (except sexual abuse).

Approved by Mike Mattson on 12/05/2019

2. Response:
 - a. Grievances will be handled at the lowest possible level beginning with a shift Corporal.
 - b. The shift supervisor will ensure that grievances are addressed daily.

3. Appeals:
 - a. If the complaining inmate is not satisfied with the Corporal's response they may submit an appeal on the kiosk.
 - b. Levels of appeal (in order): Sergeant, Lieutenant, Warden, Sheriff. All appeals must follow this chain of command.
 - c. The inmate must submit their appeal within 3 days of receiving their response from a Corporal, indicating why he/she believes the response is not adequate.
 - d. The complaining inmate may re-appeal to the Lieutenant, Warden and then the Sheriff.
 - e. Appeals submitted at the Lieutenant or Warden level must be submitted within 3 days from receipt of previous response.
 - f. The Warden or designee will respond within 10 days from the date of appeal.
 - g. Appeals to the Sheriff must be submitted within 2 days of response from the Warden.
 - h. The Sheriff or designee will respond within 15 days from the date of appeal.
 - i. Once the sheriff has responded, the inmate has exhausted his/her appeals within the department and cannot appeal any further.

4. Abuse of the Grievance Procedures
 - a. The grievance procedure is in place to protect inmates and allow for the settling of disputes and problems that cannot be settled informally with security or medical staff. Abuse of the grievance procedures will not be tolerated.
 - b. If it is determined by the Warden that an inmate is abusing the grievance procedure, the inmate will be informed in writing that grievances are to be limited to legitimate complaints.
 - c. Examples of abuse of this policy are set forth below, but are not all inclusive:
 1. Grievances containing profanity, abusive language, sexual connotations or threats will not be addressed and the inmate may face disciplinary action.
 - d. If it is determined by the Warden that an inmate has submitted more than three frivolous grievances, the inmate may be subject to disciplinary action.

SECTION 7: PROGRAMS

ELECTRONIC MONITORING APPLICATION

The Minnehaha County Sheriff's Office has established an Electronic Monitoring Program for participation by inmates who have been authorized by their sentencing Judge.

The EM Program provides sentenced inmates with an opportunity to maintain outside employment and stay at their residence.

Inmates requesting detailed information on EM program, should contact a staff member to view the EM information packet.

In order to fill out an EM application you must sit down with an available officer and they will walk you through the process.

ELECTRONIC MONITORING REQUIRMENTS

- EM inmates are required to have EM money paid a week in advance.
- Inmates must have a verified and approved job.
- Inmates must pass an initial drug test and continue to pass subsequent random drug tests.
- Inmates must have their schedule called in, Faxed or emailed to the EM supervisor or have a permanent schedule listed.
- If you're driving, we need a copy of your vehicle registration, insurance, and driver's license or work permit.
- Inmates must have an up to date Job Site Slip.
- Electronic Monitoring candidates must have a residence.

SENTENCE TO SERVE INMATE WORKERS (TRUSTEES)

Due to a constant turnover in the inmate population, there will always be a need for inmate labor. To apply for a trustee position, inmates must fill out and submit an application. Work assignments will vary. Inmates classified as a Federal inmate, awaiting extradition or have a current behavioral problem will **not** be considered. Preference will be given to those inmates serving a sentence. Each inmate who participates in this program may be eligible for a sentence reduction. Un-sentenced and out-of-county inmates may apply for inside jobs but will not be eligible for sentence reductions unless authorized by their sentencing county or judge.

CHURCH AND RELIGIOUS SERVICES

The Minnehaha County Jail has volunteers that come to the facility at various times to provide religious services. Services are offered to housing units on a rotating basis. The Minnehaha County Jail may restrict religious services as needed to maintain the security of the facility.

RECREATION

Inmates will be offered recreation once daily. Dorm Units will have the recreation area available during non-lockdown times. Recreation may be restricted due to safety, security or medical reasons.

LIBRARY

A library book cart will be made available to your housing unit. Inmates will be able to possess up to two (2) books at a time from the book cart for recreational reading. If you have purchased your own books, these books will be counted towards your two (2) book limit. The book carts will be rotated between units as scheduled for the indirect housing units.

SECTION 8: MISCELLANEOUS

TELEVISION

The television sets located in each unit **are a privilege and not a right** for the inmates. The televisions at the Jail are controlled by the Correctional Officers on/in the unit. The selection of the channel and the volume will be set at the discretion of the Jail staff.
Inmates are not permitted to touch the TV.

Any inmate arguments regarding the TV may result in immediate lock down of those inmates involved.

LAW LIBRARY

A law library is currently available on computer. An inmate must submit a request on the kiosk system and receive approval to use the computer law library. Approval may be based on inmate classification and on the priority of the need for legal access. **Due to high demand, an inmate's access to the law library may be limited to accommodate other inmates' requests.**

FOOD SERVICE

Meals are served three (3) times daily. When you have finished eating, stack your tray and utensils in the appropriate manner. If utensils are missing, the entire unit may go on lock down status. Uneaten food may **NOT** be saved until later (this includes condiment packets, salt, pepper, sugar, etc.). Food shall not be taken back to the inmate's cell, or left in the day room area.

Special diets will be provided for those inmates with medical or genuine religious restrictions, but must be approved in advance by Medical Staff or Command Staff. Please note that special diets take some time to set up with kitchen staff, and may take 24-48 hours before you receive them.

If you require a religious diet, you must submit a request to Programs on the kiosk system. When your request form is addressed you will be provided a "Request for a Religious Diet" form. You must complete this form entirely. Once it is processed, you will be notified of the approval or denial of your request. This process does take time and your patience is appreciated.

COURT/COURTROOM BEHAVIOR

If you have any questions regarding your court status, custody or release status, or accuracy of your release date or time, you should speak to a unit officer or submit a request with your specific question on the kiosk system.

While at court, physical contact, written or verbal communication will not be permitted between inmates and other persons except court officials and attorneys. During any Magistrate or Circuit Court appearances, all inmates are expected to behave and follow all instructions of the escorting officers. Any disruptive or disrespectful behavior will result in disciplinary action and may delay your court appearance.
