

**Permit Fee Increase**  
**Septic Permits**

On June 16, 2009 the Minnehaha County Commission approved a rate increase on all septic permits issued in Minnehaha County. The new rates are as follows:

|                                     |          |
|-------------------------------------|----------|
| Routine maintenance and repair      | \$75.00  |
| Installation of a holding tank only | \$100.00 |
| Extension of existing drainfield    | \$150.00 |
| New or replacement system           | \$150.00 |
| Engineered system                   | \$175.00 |

Effective: July 21, 2009
