DEFINITION OF BOUNDARIES

Bob Litz, Auditor, gave a briefing on a petition for the Organization of the Hartford Area Industrial Park Road District submitted by Christopher Healy of Meierhenry Sargent LLP. The proposed road district would combine the first Brower Addition with Brower Second Addition. Mr. Litz requested authorization for the Chair to sign a resolution that would define boundaries of the proposed road district. Once the boundaries are defined, notices will be published for an election. People who are registered voters in the defined area may vote in the election. Kersten Kappmeyer, Chief Civil Deputy State's Attorney, noted that due to SDCL 31-12A-2, a survey and map with affidavit from the surveyor should be submitted with the application. A map has been submitted with the application materials, but it has not be verified by a surveyor. Julie Risty, Register of Deeds, indicated that surveys are authenticated on a regular basis in the Register of Deeds office, and encouraged the Commission to wait for the surveyor's verification in order to have the most accurate information for the boundaries. MOTION by Kelly to defer this item for 60 days. Motion dies for lack of a second. MOTION by Bender, seconded by Beninga to deny the resolution of boundaries defining the Hartford Area Industrial Park Road District. 3 ayes. Barth and Kelly voted nay. Motion carries.

AGREEMENTS

Robert Wilson, Assistant Commission Administrative Officer, gave a briefing on the 2016 Memorandum of Understanding (MOU) between South Dakota State University (SDSU) Extension and Minnehaha County for 4-H and Youth Programing. According to the terms of the MOU, SDSU provides full salary and benefit support for one full-time 4-H Youth Advisor to work 100% in Minnehaha County. Minnehaha County will pay SDSU \$18,320 for the calendar year 2016 for partial salary support of a second full-time 4-H Advisor. The County will provide secretarial support and travel expenses for the 4-H Youth Advisors, and office space and office expenses for two Expanded Food and Nutrition Education program positions. The contract only specifies providing office space, but does not specify where the office space must be located. MOTION by Barth, seconded by Bender, to authorize the Chair to sign the 2016 Memorandum of Understanding between SDSU Extension and Minnehaha County. Commissioner Beninga requested clarity on the \$12,000 increase from the previous MOU. Carol Muller, Commission Administrative Officer, indicated she would research the \$12,000 increase. Commissioner Bender withdrew her second. Commissioner Barth withdrew his motion. MOTION by Barth, seconded by Bender, to

NEW BUSINESS

Commissioner Barth inquired if there is a limit on the number of raffles that can be held by one entity. Kersten Kappmeyer, Chief Civil Deputy State's Attorney, stated that, as long as they meet the notice requirements and have a non-profit beneficiary, there is no limit on the number of raffles.

Commissioner Kelly noted attending the Housing and Redevelopment Committee meeting where they discussed adding to the membership due to issues with making quorum. Robert Wilson, Assistant Commission Administrative Officer, noted the Housing and Redevelopment Committee meetings have been rescheduled in the past in order to make quorum.

Commissioner Beninga spoke on office space issues with the expansion of certain County Departments. Mr. Beninga noted that it may be good to consider moving the Commission Meeting room to the extension building in order to free up space in the Minnehaha County Administration building.

Robert Wilson, Assistant Commission Administrative Officer, reported on meeting with Dr. Luther, Quality Assurance Director for Rural Ambulances, regarding the rural ambulance licenses coming due, getting a regular schedule of presentations by Dr. Luther to the Commission, and having Dr. Luther prepare quarterly reports to be presented twice a year. Commissioner Barth believes the County should cut the cord with Dr. Luther due to the expense of keeping him on.

Robert Wilson, Assistant Commission Administrative Officer, reported that legislative proposals will be a discussion item for the next meeting. Decisions will be made at the Commission Meeting scheduled for Thursday, July 28, 2016. Commissioner Kelly spoke regarding having the State take the public defense and encouraged fellow commissioners to submit any ideas prior to the next meeting.
