INSTRUCTIONS TO THE VOTER:

Constitutional Amendment

The following amendment to the State Constitution is submitted to the voters by petition. The amendment will not become effective unless approved by majority vote.

Constitutional Amendment D

Title: An initiated amendment to the South Dakota Constitution expanding Medicaid eligibility.

Attorney General Explanation: Medicaid is a program, funded by the State and the federal government, to provide medical coverage for low-income people who are in certain designated categories. This constitutional amendment expands Medicaid eligibility in South Dakota. It requires the State to provide Medicaid benefits to any person over age 18 and under 65 whose income is at or below 133% of the federal poverty level, plus 5% of the federal poverty level for the applicable family size, as provided in federal law. For people who qualify under this amendment, the State may not impose burdens or restrictions that are greater than those imposed on any other person eligible for Medicaid benefits under South Dakota law.

The South Dakota Department of Social Services must submit to the federal government all documentation required to implement this amendment and must take all actions necessary to maximize federal funding for this expansion.

Fiscal Note

The proposed expansion of Medicaid could cover an additional 42,500 eligible individuals, with a total estimated cost over the first five years of \$1,515,214,000. For the first five years under current federal law, the state's share of expenses could be \$166,244,000 with the state recognizing additional general fund savings of \$162,473,000.

Yes Vote "Yes" to adopt the amendment.

No Vote "No" to leave the Constitution as it is.

Initiated Measure

The following initiated measure was proposed by petition for submission to the voters. This initiated measure will not become effective unless approved by majority vote.

Initiated Measure 27

Title: An initiated measure legalizing the possession, use, and distribution of marijuana.

Attorney General Explanation: This initiated measure legalizes the possession, use, and distribution of marijuana and marijuana paraphernalia by people age 21 and older. Individuals may possess one ounce or less of marijuana. They may also distribute one ounce or less of marijuana without payment or other consideration.

Marijuana plants, and the marijuana produced from those plants, may be possessed under specific conditions. Marijuana plants may only be grown, and the marijuana from those plants may only be possessed, in counties or cities where no licensed retail marijuana store is available or where allowed by county or city ordinances.

Certain violations of the restrictions the measure places on the possession, use, and distribution of marijuana and marijuana paraphernalia are subject to various civil penalties. Individuals under age 21 can attend drug education or counseling instead of paying a civil penalty.

The measure legalizes substances considered felony-controlled substances under State law. Marijuana remains illegal under Federal law.

Judicial or legislative clarification of the measure may be necessary.

Fiscal Note

The State and counties could see a minimal decrease in expenses due to decreased incarceration for marijuana-related offenses, and the State could see marginal additional revenue in the form of new civil penalty fines.

Yes Vote "Yes" to adopt the initiated measure.

No Vote "No" to leave South Dakota law as it is.

Initiated Measure

Title: An ordinance of the City of Sioux Falls, SD, to prohibit the construction or permitting of new slaughterhouses within the city limits.

City Attorney's Explanation: If the voters approve this initiated measure, no new slaughterhouses may be constructed, or be permitted to operate, within the city limits. The ordinance does not pertain to any existing slaughterhouse constructed and operating before the effective date of this measure, nor does it apply to the expansion or alteration of any slaughterhouse constructed and operating before the effective date of the measure as long as the expansion or alteration occurs at the existing site.

Yes A vote "Yes" will change City ordinance.

No A vote "No" will leave the City ordinance as is.
