**ADDENDUM NO. 1**  
February 25, 2019

TO ALL PLANHOLDERS:

The following changes, additions, and/or deletions are hereby made a part of the contract documents for the above-referenced project, as fully and completely as if the same were fully set forth therein:

**Landscaping Clarification**

The entire Minnesota Avenue street frontage, from back of proposed curb to existing sidewalk, shall receive rock mulch in addition to the proposed fence and trees. The limit shall run from the south property line of the site north to the existing sidewalk along 4<sup>th</sup> Street.

All disturbed areas adjacent to 4<sup>th</sup> Street, from back of proposed curb to sidewalk and sidewalk to existing back of curb, and also adjacent to the south proposed curb, shall be seeded, fertilized and receive bonded fiber matrix.

**Grading Clarification**

Interim gravel surfacing was placed on top of existing ground in the fall of 2018. The gravel was distributed over the turf/dirt areas of the site. Weigh tickets totaling 303.87 ton were provided. Existing contours shown on the plan sheets do not reflect the additional gravel surfacing.

**Bid Form**

The contractor shall utilize the enclosed bid form, addendum acknowledgement added.

All bidders shall acknowledge receipt and acceptance of ADDENDUM NO. 1 by signing the space provided on the Proposal Form.
