RE: For Immediate Release:
Speed Zone Changes: County Highway 130 and County Highway 114

Press Release

Beginning on Monday, November 30th, two new speed zones will be implemented on County Highway 130 (258th St.) east of Renberg School and on County Highway 114 (250th St.) east of Baltic. The current 45 MPH speed zone from Dawson Ave. to Trade Ave. on County Highway 130 will be extended 0.866 miles to the east. The speed zone will now end east of the Big Sioux River. This change was made due to sight distance concerns. There will also be a new 40 MPH speed zone on County Highway 114 starting at the east Baltic city limits and extending 500 ft to the east. The purpose of this addition is to ease the transition from normal highway travel speeds to the 25 MPH speed limit when entering city limits.
